

HOSPITAL MANAGEMENT SYSTEM

Team: Niraj Marshainy, Ashutosh Harmalkar

Introduction

- ▶ Our project title is Hospital Management System (H.M.S).
- ▶ For managing the working and day to day management of Hospital activities.
- ▶ The objective of this application is to make it easier for the patient to access the facilities provided by hospital.
- ▶ In this presentation we will explain the working with the help of screenshots.

Description

- ▶ Hospital Management System will also be very effective for maintaining the records of the patients visiting the hospital.
- ▶ It will collect the data for management team which will be useful for the analysis of the business done by the Hospital.
- ▶ The admin has the sole authority at add a doctor, receptionist and a patient. He can view all the details of the entities that are present.
- ▶ The receptionist can add/ view list of patients.
- ▶ The doctor can view the list of patients and appointments as well.

This is the first page for signing in. The admin/doctor/receptionist can sign in from this console.

Admin Page

The screenshot displays the 'Admin Page' of a 'Hospital Management System'. The page features a top navigation bar with the following links: HOME (highlighted in teal), DOCTOR, RECEPTIONIST, PATIENT, APPOINTMENT, and WELCOME NIRAJ. The main content area is a light gray rectangle. On the left side of this area is a white registration form for doctors. The form contains the following fields and controls:

- Mobile No**: A text input field.
- Gender**: A dropdown menu with 'Select' as the current option.
- Date Of Birth**: A text input field.
- City**: A text input field.
- Aadhaar Card Number**: A text input field.
- Qualification**: A dropdown menu with 'Select' and a downward arrow.
- Specialization**: A text input field.
- Address**: A text input field.
- SAVE**: A teal button at the bottom of the form.

Overlaid on the 'Gender' dropdown is a white menu with two options: 'REGISTER DOCTOR' and 'DOCTOR LIST'.

The above image displays the functionalities available to the admin. The above image displays doctor registration page.
